

#PEV series Vacuum-Reclaim Systems

The Sirocco™ PEV series vacuums are the most affordable, effective, **multi-function vacuum systems** on the market. Whether you're vacuuming a warehouse floor, or reclaiming water from a **fleet-wash** job on a parking lot, the Sirocco™ PEV 3-stage vacuums **will perform** the job quickly and efficiently. It's all about **WorkSpeed !**

With the convenience of the **Auto Pump-Out** feature, you'll not have to stop working to dump your waste tank of liquid ...Up to 15 gpm !!!
With the vacuum running !!!

High capacity Slide-In Filter stops sand and larger debris, but also traps any floating oil !

Our powdercoated drums and all fittings and filters are Very chemical resistant, but.. **Stainless Steel drums** are also available.

Cart Frame is optional for portability on all terrain. **Powder coated and Beefy!** It has a hose rack on the back for up to 75 ft. hose, and steel wheels with tires that don't go flat.

Dimensions
of cart frame..
L x W x H..
PEV1 20 x 18 x 50"
PEV2 25 x 22 x 50"
System Weight.. 165lbs

Waste Recovery Tanks are D.O.T. approved, and super durable, **triple-step powder-coated** to maintain their good looks, **rust resistance, and abuseability.**

Cam-lock hose attachments for quick, easy set up of jobs.

Our super duty **PVC hoses** have spiral reinforcement, are crush resistant, abrasion and chemical resistant. Bulk **sand** hose is also available, for **hydro-excavating**.

SandTraps are also available .. for additional solids capacity, and GreaseTrap pre-filters too.. Many accessories are available...

Image shows optional **VacuBerm**
The patented **VacuBerm** is inexpensive, lightweight and very durable. It even picks up water on **rough** surfaces ! Available in 4 and 6 lengths. **PuddleSuckers** and many other tools are also available. Call with every question !

PEV 2 model is **Super Powerful...** 200cfm and 140" H₂O suction-Lift... that's over 10 feet !
With **2 beefy** 3-stage vac-motors, this is the most powerful machine **made for 120 volts**, from a 20 amp dedicated outlet, or a 5500watt generator. (Add 1500 watts for auto-pump-out.)
You'll always be impressed. ...It's our top seller... and It is capable of running our 21" Vacuuming Surface Cleaner up to 100 ft. against 5gpm and 4000psi !
