

VacuBerm & Sirocco Vacuums deliver long term performance.

The **Sirocco™ SEV series** vacuums are the most affordable, effective, **multi-function vacuum systems** on the market. Whether you're vacuuming tile floors, parking garages, or reclaiming wash water from a fleet wash, the **SEV** electric vacuums perform the job quickly and efficiently.

Waste Recovery Tanks are **D.O.T. approved**, blasted, **rust protected** and **powder-coated** to maintain their good looks for years. **Snap-lock** lid and beefy handles are as sweet as the **extra heavy duty** tank adapters. Stainless Steel tanks are also available !

Portable cart and vertical versions as above, are also available !

Ultra quiet and dependable **Baldor industrial** motors provide years of reliable service

Triple step powder-coated frame.. it will even look nice **and** easier to maintain for 10 to 20 years !!!

Super powerful, **Tuthill or SutorBilt Industrial vacuums** create industrial strength suction to **quickly vacuum** all surfaces.

Cam-lock hose attachments for quick, easy set up of jobs.

Skid Mounted Frame, is **forkliftable**, and includes **vibration isolation** hardware for **smooth operation**.

Auto-pump-out (not shown) is capable of up to **30 gpm** in each tank, **against the vacuum !**

All super duty **PVC hose** has spiral reinforcement, is crush resistant, abrasion and chemical **resistant**.

The patented **VacuBerm** is inexpensive, lightweight and very durable. It even picks up water on **rough** surfaces.
