

In a continued effort to serve our customers and community, Seattle Pump will remain open as an Essential Business!

Effective 3/31/2020:

Our responsibility to service and repair cleaning equipment for above and below ground is and has always been our number one priority. Equipment and parts sales will also continue as our showroom is now open. Please feel free to give us a call with any concerns or questions. Let us take care of your equipment so you can take care of your business and our community.

Finally, we respectfully ask that you follow social distancing guidelines, as well as the health and hygiene recommendations from the CDC while at our facility.

Things are changing daily due to COVID 19 and new measures are being requested or ordered by local and federal governments on a rapid basis. We will continue serving our customers! Thank you for your continued support.

***We will maintain regular working hours:**

Monday-Friday

6AM-4:30PM

Sincerely,

The Seattle Pump and Equipment Team
